OINGO BOINGO - Dead Man's Party

by Royc.Usery

Ah, yes. My favorite tape by my favorite Group. This tape is packed with good songs to ride to. plus just plain good listening material. Good tracks include: "Just Another Day", "Dead Man's party", "stay", And the very, long version of "Weird Science", just to name a few. Get it you shouldn't be disappointed. Later. — HAZARD.

ANTHRAX - SPREADING THE DISEASE BY MATT BAILIE

ANTHRAX'S LATEST ALBUM, SPREADING THE DISEASE, IS ONE OF THE HARDEST, FASTEST, AND BEST THRASH METAL RECORDINGS AVAILABLE. "IS IT FAST ENOUGH TO RIDE TO?" YOU MAY ASK. WELL, WELL, WELL, AREN'T YOU A SILLY CHILD. EVERY SONG ON SPREADING THE DISEASE, IS FAST ENOUGH AND THEN SOME. THE FASTEST (AND LASTEST) SONG ON IT IS GUNG-HO, WHICH REALLY GETS WILD AT THE END. THE SLOWEST IS PROBABLY THE ENEMY, BUT IT'S HARDER THAN ANYTHING YOU HEAR ON KMX.

THAT COVERS THE HARD AND FAST. ONE OF THE BEST? OH, YES. JOE BELLADONNA HAS ONE OF THE FEW REALLY GOOD VOICES IN THIS KIND OF MUSIC. THE GUITARISTS ARE VERY GOOD. DAN SPITZ REALLY GIVES OL' EDDIE VAN HALEN SOME COMPETITION ON S.S.C.

SHOULD YOU BUY THIS ALBUM? DEFINITELY. THIS ALBUM IS PERFECT TO RIDE TO, SKATE TO, BUY GROCERIES TO, OR ANYTHING ELSE. IT EVEN HAS A SONG CALLED A.I.R. TO GET YOU RAMRIDERS GOING. THE ONLY PEOPLE WHO SHOULDN'T BUY IT ARE ALL YOU SQUIDS OUT THERE WHO ONLY BUY THIS KIND OF ALBUM TO BE COOL. (YOU KNOW WHO YOU ARE, YOU POSERS !)
TO ALL YOU OTHER FOLKS, SPREADING THE DISEASE IS A GREAT ALBUM. I SUGGEST YOU GET IT, NOW !
